

TRADE Q ENTERPRISES, INC. (DBA Trade Q)

Capability Statement | Website Design & IT Services for Virginia Public Bodies

Trade Q builds and maintains websites and provides IT support for small public bodies, at fixed prices with fast turnaround and weekly written status updates.

Core Services

- Website design and redesign: mobile-friendly, fast, easy for staff to update
- ADA / WCAG accessibility audits and remediation for existing public websites
- Hosting, security updates, backups and monthly maintenance plans
- Online forms: service requests, permits, quote and booking forms with email alerts
- Small-office IT support: email, Microsoft 365 / Google Workspace, devices, help desk
- Workflow automation and AI tools that cut manual data entry

Why Trade Q

- Local Middle Peninsula small business serving Gloucester and Hampton Roads
- Fixed-price quotes with clear deliverables and no surprise fees
- Remote-first delivery with a written status update every week
- Work samples: tradeq-demos.netlify.app
